## Accredited Marshalling

The 'Stop Event' sign of things to come

### New Road Marshals Scheme

Next season the CDNW Road Race League has been approached by British Cycling to become involved in the pilot of the new Road Marshals Scheme.

The Road Marshals Scheme allows trained Marshals to legally stop and hold traffic at junctions during road races with the use of a newly developed 'Stop-Event' sign. This is a significant development in terms of improving cycle event safety and quality and it has been well received in a number of areas where the pilot has been delivered to date.

The delivery of the Pilot Scheme will be restricted to two Police & Highways Authorities; in Cheshire and Lancashire in 2012. If you know of a friend, family member or someone from your Club/Team who is local to one of these areas and is interested in supporting cycle racing on the roads, please pass this information on to them.

In order to become involved in the Road Marshals Pilot, you will need to be over 18yrs of age and available to take part in a half day training course. On completion of the course, there would be a requirement to support 4 events.

The first training course for the Pilot Scheme will be delivered in March 2012. If you are interested in taking part, please contact Regional Event Officer Jenny Gretton by email: [jennygretton@britishcycling.org.uk](mailto:jennygretton@britishcycling.org.uk) or mobile: 07930 229993 for more information.
